

DO YOU KNOW HOW MUCH I NEED TO SAVE FOR MY CHILD'S EDUCATION?

From as little as R500 a month you can start saving towards your child's primary school, high school and university education.

The Education Builder provides you with a dedicated way to invest in your child's future.

Liberty will provide an on-going education for your child

Simply add the EduCator benefit to your Education Builder and Liberty will continue to pay for your children's education, if you become permanently disabled, critically ill or pass away.

Liberty will keep investing for your child's future*

If you are retrenched, we will invest on your behalf for a full year whilst you find and settle into your new job.

You can use this benefit up to 3 times before your 65th birthday.

If you become disabled, we understand that you still need to save for their education, so we will keep investing on your behalf until your 60th birthday.

Be rewarded

Invest R30,000 in regular premiums over 5 years, and we'll refund **25%** of the management fees you've paid.

It is important to note that the Education Builder is a five year commitment and you should only invest in it if you won't need access to this money for five years.

After five years, you will have unlimited access to your investment.
