 When you pass away, would you like to provide your family with some support so they can continue with the lifestyle they're used to? Or do you have debt you may owe that will need to be paid off in the event of your death?	✓ Life Cover ✓ Immediate Expenses Benefit ✓ Funeral Benefit	With Life Cover, in the event of your death, Liberty will pay your nominated beneficiaries a lump sum. At no additional cost, you will also have the option to exercise the Terminal Illness Benefit and Immediate Expenses Benefit (if selected). The Funeral Benefit provides you and your family with the peace of mind that a payment towards funeral costs will be made in the event of a death in your family.
Should you become disabled or pass away, would you want peace of mind to know that your child's tuition fees will be paid directly to the institution?	✓ EduCator	EduCator pays the costs associated with a child's education (until the end of the child's first tertiary level qualification) if you should pass away, become occupationally disabled or severely ill prior to the child's 24th birthday.
Should you be disabled or impaired, have you thought about the cost of the adjustments you may need, for example to your car or house, to adapt to a new lifestyle?	✓ Absolute Protector (Plus)	Absolute Protector (Plus) pays you a lump sum if you are permanently impaired or if you are unable to perform your occupational duties. The amount of the benefit depends on whether you are disabled, and on the severity of your impairment.
Alternative benefits that can be taken instead of Absolute Protector (Plus)		
A more affordable option is cover for occupational disability.	☐ Capital Disability (Plus)	Capital Disability (Plus) pays you a lump sum if you are occupationally disabled. There are two definitions of occupational disability: • Own occupation disability (OOD) • Own or any reasonable occupation disability (OD).
For some occupations and for people not formally employed, impairment cover may be more appropriate.	☐ Impairment (Plus) ☐ Absolute Impairment (Plus)	Impairment (Plus) pays you a lump sum if you are permanently impaired. The size of the payment depends on the severity of your impairment. Absolute Impairment (Plus) pays you a lump sum if you are permanently impaired and all the criteria required to establish impairment are met. This benefit is a non-tiered benefit. This means that any payment you receive under the Absolute Impairment (Plus) benefit will always be for the full sum assured.
Our trend in claim statistics shows that the two biggest claim causes among young parents is cancer and cardiovascular conditions. Have you considered how a critical illness would affect your current lifestyle?	✓ Living Lifestyle (Plus) ✓ Top- Up Option ✓ Extended Option	Living Lifestyle (Plus) is a benefit that pays a lump sum for a claim arising from any critical illness that is covered under the benefit categories. The Top-Up and Extended Options allow the insured to be more comprehensively covered in terms of benefit pay-out percentages and events.
We have found that younger and younger people are being diagnosed with critical illnesses. Should your child be diagnosed with cancer, have you considered how it would affect you and your child's lifestyle?	✓ Child Living Lifestyle³	Child Living Lifestyle is designed specifically for your children until the ages of 18. This benefit provides you with some financial assistance towards covering your medical or other costs if your child is diagnosed with a listed condition.
Would you want to increase cover at a later stage as your family grows?	✓ Future Protector	With Future Protector, you will have the option to purchase cover in future without further underwriting (other than a negative HIV test).
Should you be disabled or retrenched, your family's financial position may suffer. Would you be able to maintain your remaining risk benefits to protect against other life-threatening events?	✓ Premium Protector - Disability ✓ Premium Protector - Retrenchment ✓ Financial Protector	The Premium Protector - Disability ensures the continuation of premium payments in the event of you being permanently unable to perform the duties of your own occupation or any other reasonable occupation. The Premium Protector - Retrenchment protects you against the inability to pay your Lifestyle Protector premiums in the event that you should be retrenched. Financial Protector is a savings benefit that can be used to protect your policy in times of temporary financial difficulty.
